

2026 March 12th Region 3 President's Report to Regular Meeting (read by James Halliday Vice President)

My husband and I helped out at the Provincial Office in January stuffing envelopes for membership renewals mailout

Region 3 did not have a special meeting in February

Next Region 3 meeting is scheduled for April 9th at the NSGEU Building starting at 1 pm. This is the Region 3 Convention 2026 Resolutions development meeting

Please make sure you visit the updated Provincial NSGREA web page, especially to take time to read the President's February newsletter and view any other new items – I found the President's newsletter interesting and informative

I am a member of the new formed Strategic Planning Committee and I am chair of this committee as well – will provide a more detailed update at the May 2026 meeting – Cameron MacNeil (Region 3), Don Goss (Provincial Executive and Region 3), and Paula Withrow (Region 9 President) as members as well

Hope to see you at the April Resolutions development meeting
